Drama ATAR course Practical (performance) examination

This document contains general advice to teachers, candidates and parents on the Drama ATAR course Practical (performance) examination.

Students who are enrolled in a Year 12 ATAR course pair of units are required to sit both the practical and written ATAR course examination. There are no exemptions and if candidates fail to sit and do not have an approved sickness/misadventure claim then the grades for the course units will not contribute to any of the WACE requirements.

The practical (performance) examination for Drama will be held during the period from **Saturday, 22 September** to **Sunday, 30 September 2018** (Saturday, Sunday and the public holiday included) at metropolitan locations and, if required, major country locations. Candidates must be available to complete their practical (performance) examination during this time. A *Personalised practical examination timetable* (Appendix 1) for each candidate will be made available from **Thursday, 6 September 2018** for schools/providers to download via SIRS and for students to download via the School Curriculum and Standards Authority (the Authority) student portal. Country candidates must take their practical (performance) examination at the Authority's designated examination centre.

For Drama, the ATAR course examination weightings are:

- Written examination 50%
- Practical (performance) examination 50%

1. Reporting achievement

Teachers are responsible for ensuring the practical (performance) examination requirements are met and making sure candidates are adequately prepared. Teachers must ensure they are using the current syllabus. Any further advice on matters related to the syllabus or assessment will be published in *11to12 Circular* which is available on the Authority website at <http://www.scsa.wa.edu.au/publications/circular-ecircular>.

Teachers should also refer to the ATAR course examination information published in Section 6 of the *WACE Manual 2018*, which is available on the Authority website at <http://www.scsa.wa.edu.au/publications/wace-manual>.

For all ATAR courses with a practical examination, for the pair of units, schools are required to submit to the Authority a:

- course mark out of 100 (weighted for each component)
- mark out of 100 for the written component
- mark out of 100 for the practical component
- grade for the completed pair of units.

2. Candidates with an injury, illness or disability

Candidates who have a permanent disability that could prevent them demonstrating their knowledge, understanding or skills in a standard practical examination may apply to be assessed under special examination arrangements. Candidates with a long-term injury or illness which existed prior to the beginning of Term 3 are to apply for special arrangements to be examined in an alternative format if the injury or illness will affect their participation in the standard practical examination. Application is made on the form available at all schools and must be received at the Authority by **Friday, 27 July 2018**. These candidates will not be granted sickness/misadventure approval. Additional application forms may be obtained on request or from the Authority website at <http://www.scsa.wa.edu.au/forms/forms>.

3. Provisions for sickness/misadventure

Consideration may be given to candidates (except non-school candidates) who believe their performance in a practical examination may have been affected by an unexpected sickness, or unforeseen event beyond their control, close to or during the examination. Such candidates may apply for sickness/misadventure consideration. Application is made by the candidate by the prescribed date using the form available in schools or from the Authority website at <http://www.scsa.wa.edu.au/forms/forms>.

A candidate with an injury or illness existing at the start of Term 3 is not entitled to apply for sickness/misadventure consideration on the basis of the existing injury or illness.

4. Principles of external assessment

The marking process preserves the anonymity of the candidate and the candidate's school. This requires that candidates and their work are identified only by their WA student number.

The authenticity of the candidate's work must be guaranteed. It is essential that:

- the Original solo performance is original work developed by the student
- the main development of all work takes place in school time
- work completed away from school is regularly monitored by the teacher
- each candidate completes and signs a *Declaration of authenticity* (Appendix 2), a legal document witnessed by the supervising teacher and the school Principal to endorse the originality/authenticity of the Original solo performance
- the *Declaration of authenticity* must be kept separate from the copies of scripts that the candidate is required to bring to the examination room
- a copy of the signed *Declaration of authenticity* is kept by the teacher on record at the school
- the work is not submitted by the candidate for external assessment in any other ATAR course or program.

Teachers should monitor the student's work from the beginning to ensure that there is no plagiarism in the work that is to be submitted for marking. If the teacher has been unsuccessful in working with the student to avoid plagiarism then the teacher should sign the *Declaration of authenticity* and attach a note to this effect to the declaration at submission time.

Non-school candidates are to complete the *Declaration of authenticity* in the presence of an authorised witness. The following internet link provides a list of authorised witnesses:

http://www.courts.dotag.wa.gov.au/W/witnessing_documents.aspx.

5. Markers apply a consistent standard to assess the candidate's work

This requires:

- a marking key for the practical (performance) examination
- attendance at a marker training meeting prior to the commencement of marking
- trial marking of work to ensure a common understanding of the marking key
- the examination being marked independently by at least two markers and then reconciled.

6. Criteria for marking

The Drama ATAR course Practical (performance) examination marks will be awarded in relation to the following criteria:

Marking criteria for Drama Practical (performance) examination
Part 1 – Original solo performance <ul style="list-style-type: none">• Voice techniques• Movement techniques• Role/Characterisation• Dramatic journey• Elements of drama and drama forms and styles• Drama conventions• Design and technologies• Script conventions
Part 2 – Scripted monologue <ul style="list-style-type: none">• Voice techniques• Movement techniques• Role/Characterisation• Elements of drama and drama forms and styles• Drama conventions• Design and technologies

Part 4 – Interview <ul style="list-style-type: none">• Responses to interview prompts• Use of drama terminology and language

7. Examination procedure

On the day of the practical (performance) examination the candidate is required to report to a supervisor at the examination venue at the scheduled reporting time. This reporting time is 30 minutes before the scheduled examination time. Candidates who arrive 25 minutes after the scheduled reporting time will not be admitted to the practical (performance) examination and the examination cannot be rescheduled.

The scheduled examination time for candidates is the time at which the markers will invite the candidate into the examination room, see *Personalised practical examination timetable*.

At the scheduled reporting time, the candidate reports to the registration desk with their *Personalised practical examination timetable*. Prior to the scheduled examination time, a supervisor takes the candidate to a warm-up area. The candidate's warm-up and focus activities at the examination centre must not interfere with the preparation or examination of others.

Candidates will be escorted by the supervisor to the examination room where they will sit outside until invited in by one of the markers.

Candidates must ensure that nothing they wear or carry (scripts, costumes and other properties) can identify either them, their school, club or achievements. If this does occur, candidates will be referred to the Breach of Examination Rules committee.

The candidate is to leave the examination area once they have completed their examination, and must not have contact with candidates waiting to be examined, or teachers, or other parties who are seeking feedback from the examination until all the examinations have concluded. Failure to do so may result in a breach of examination rules.

The candidate must bring the following items to the practical (performance) examination:

- *Personalised practical examination timetable*
- a signed *Declaration of authenticity*
- two copies of the Original solo performance script with completed *Script cover page – Original solo performance* (Appendix 3) attached to the front of each copy
- two copies of the Scripted monologue with completed *Script cover page – Scripted monologue* (Appendix 4) attached to the front of each copy and a copy of the original section/scene from which the Scripted monologue was taken.

8. Script layout

Original solo performance

Candidates must select a script layout from *Accepted script layout conventions for the Original solo performance* (Appendix 5) for their Original solo performance. The Original solo performance script must be presented in 11 point Arial font, be printed single-sided on A4 paper and have the completed *Script cover page – Original solo performance* attached to the front. Scripts will not be returned to candidates.

Scripted monologue

Candidates should select a scripted monologue that is of sufficient complexity and has clear character challenges that allow them to perform at an appropriate Drama ATAR course standard.

The selected scripted monologue should enable candidates to establish a sense of place and time and to develop dramatic action. Characters should show a dramatic journey. Candidates should be able to build their performance, drawing on understanding of character and action from the rest of the play. Stand-alone monologues (for example, monologues written as one-off acting exercises) limit candidates. Candidates must choose monologues that enable them to explore text, sub-text and context.

The scripted monologue performed by a candidate must be from a published play text (play by a recognised playwright whose works have been produced by one or more professional theatre companies). Film and television scripts can be counted as a published play text but the sense of theatrical convention expected in a scripted monologue should be apparent in the excerpt chosen. Poetry, novels, short stories and documentary sources are not to be used for the scripted monologue performance.

The scripted monologue can be edited from an original published play text. In this case the two copies the candidate brings to the examination should consist of a copy of the original context of the monologue together with the edited monologue that will be performed by the candidate.

The publication details of the published play text that contains the scripted monologue must be recorded on the *Script cover page – Scripted monologue*. The required publication details are:

- (print source) – title of book; author/editor; publisher and date of publication, or
- (online source) – full url; website; date accessed.

9. Attire

The candidate will be attired in plain 'theatre blacks' and/or costume and should wear footwear appropriate for their role/s and/or character/s in the examination.

10. Equipment

The following items will be provided in the examination room for candidate use, if required:

- power supply for set-up of sound equipment
- one school desk and two chairs
- a warm-up space.

The candidate can bring scenery, props and costumes to the examination, limited to what they alone can carry and set up in 60 seconds. The candidate can use an audio recording to support their Original solo performance and/or their Scripted monologue.

Candidates must provide (if required) their own sound equipment including CD player, MP3 player or laptop for Part 1 and/or Part 2 of the examination, as well as speakers. A mobile phone can also be used as a playing device but it must be in 'flight mode'. The candidate can have a technical assistant to operate sound for this performance. Only the technical assistant can assist the candidate with any technical issues.

11. Technical assistance

Candidates can have a technical assistant to operate the sound equipment for the Original solo performance and/or the Scripted monologue. The drama teacher of a candidate or a person who is a practical examination marker in 2018 **cannot** act as a technical assistant.

The technical assistant:

- must ensure that nothing they wear can identify either them, their school, club or achievements. If this does occur, the candidate will be referred to the Breach of Examination Rules committee
- can only communicate with the candidate when conducting a sound check during set-up time (they cannot prompt, applaud, cheer or comment during the performance)
- can carry and set up the sound equipment only (that is, they may not carry in any props or costume)
- must leave immediately after the completion of the Original solo performance or the Scripted monologue and take the sound equipment with them.

12. Layout of the examination room and safe practice

All examination rooms will be set up in a consistent manner in terms of lighting, access to power supply for sound equipment and the placement of the markers as shown in the diagram below. Candidates are required to work within the marked performance area.

It is the candidate's responsibility to ensure that their performance is safe and that the examination space is left clean and clear for the next candidate.

- Candidates must not involve the markers in any confrontational or intimidating practice during the examination.
- Candidates must not use any items made of glass.
- Candidates must not use unsafe props and practice (for example, no naked flames, breaking/broken glass, guns and knives or other weapons, including replica weapons).
- Nothing is to be used in the performance that can be spilled on the stage area. This includes liquids such as water and juice, food, sand, glitter and the spraying of substances (for example, aerosol cans).
- Candidates are asked to carefully consider the props they use. Where there are reasonable grounds for the markers to feel that these safety guidelines have been breached, they will instruct the candidate to stop the performance, and the breach will be reported to the Chief marker. The candidate can be removed from the marking process at the discretion of the Chief marker. If candidates are unsure about the suitability of props, they must check with the markers on entering the examination room.

Examination room layout

Note: Candidates are required to work within the marked performance area.

13. Structure of the Drama ATAR course Practical (performance) examination

Examination	Time
Part 1 – Original solo performance 40% of the total examination	Preparation: 60 seconds Performance duration: 4–6 minutes 15 seconds
Part 2 – Scripted monologue 30% of the total examination	Preparation: 60 seconds Performance duration: 2–3 minutes 15 seconds
Part 3 – Spontaneous improvisation 20% of the total examination	Preparation: 60 seconds Performance duration: 1–2 minutes 15 seconds
Part 4 – Interview 10% of the total examination	Duration: 2–3 minutes 30 seconds

The candidate is allowed up to 60 seconds from entering the room to the commencement of their Original solo performance. The markers will inform the candidate of the time limit as they enter the room. They will also ask them about their props and ask if they have any liquids, glass or anything dangerous to declare. Candidates may test their voice and sound equipment during this time in order to determine appropriate projection and the acoustics of the room.

- **Part 1: Original solo performance:** the performance will be stopped if it is still in progress after 6 minutes 15 seconds.

Transition between Parts 1 and 2: the candidate is allowed up to 60 seconds to set-up any props or set, or make any necessary costume changes for Part 2.

- **Part 2: Scripted monologue:** the performance will be stopped if it is still in progress after 3 minutes 15 seconds.

Transition between Parts 2 and 3: the markers will provide a suggestion for an improvisation based on an aspect of the Original solo performance or the Scripted monologue. The candidate is allowed up to 60 seconds to collect their thoughts and set the stage in readiness for their improvisation.

- **Part 3: Spontaneous improvisation:** the performance will be stopped if the improvisation is still in progress after 2 minutes 15 seconds.

Transition between Parts 3 and 4: the candidate will then be invited to bring a chair to the line at the front of the performance square, and sit in preparation for their interview.

- **Part 4: Interview:** the candidate will be asked three questions.
