Physical Education Studies ATAR course Practical (performance) examinations

This document contains general advice to teachers, candidates and parents on the Physical Education Studies practical (performance) examinations.

Students who are enrolled in a Year 12 ATAR course pair of units are required to sit the ATAR course examination. There are no exemptions.

The practical (performance) examinations for ATAR Physical Education Studies will be held during the period from **Saturday, 24 September** to **Sunday, 2 October 2016** (weekends and public holiday included) at metropolitan and major country locations. Candidates must be available to complete their practical (performance) examination during this time. A *Personalised practical examination timetable* (Appendix 1) for each candidate will be available for download via SIRS for schools and by candidates via the Authority's student portal from **Wednesday, 7 September 2016**. Non-school candidates will be notified directly by mail and are not reimbursed for any associated travel costs. Country candidates must take their practical (performance) examination at the Authority's designated examination centre.

For Physical Education Studies, the ATAR course examination weightings are:

- Written examination paper 70%
- Practical (performance) examination 30%

1. Reporting achievement

Teachers are responsible for ensuring the practical (performance) requirements are met and making sure candidates are adequately prepared for the practical (performance) examination. Teachers must ensure they are using the current syllabus. Any further advice on matters related to the syllabus or assessment will be published in the *11to12 Circular* which is available on the Authority website at

http://www.scsa.wa.edu.au/internet/Publications/Circular_eCircular. Teachers should also refer to the ATAR course examination information published in Section 6 of the *WACE Manual 2015-16 [Revised edition]*, which is available on the Authority website at http://www.scsa.wa.edu.au/internet/Publications/WACE_Manual.

For all ATAR courses with a practical examination, for the pair of units, schools are required to submit to the Authority a:

- course mark out of 100 (weighted for each component)
- mark out of 100 for the written component
- mark out of 100 for the practical component
- grade for the completed pair of units.

2. Candidates with an injury, illness or disability

Candidates who have a permanent disability that could prevent them demonstrating their knowledge, understanding or skills in a standard practical examination may apply to be assessed under special examination arrangements. Candidates with a long-term injury or illness which existed prior to the beginning of Term 3 are to apply for special arrangements to be examined in an alternative format if the injury or illness will affect their participation in the standard practical examination. Application is made on the form available at all schools and must be received at the Authority by **Friday, 29 July 2016**. These candidates will not be granted sickness/misadventure approval. Additional application forms may be obtained on

request or from the Authority website at http://www.scsa.wa.edu.au/internet/Events_and_Forms/Application_Order_Forms.

3. Provisions for sickness/misadventure

Consideration may be given to candidates (except non-school candidates) who believe their performance in a practical examination may have been affected by an unexpected sickness, or unforeseen event beyond their control, close to or during the examinations. Such candidates may apply for sickness/misadventure consideration. Application is made by the candidate the prescribed date using the form available in schools or from the Authority website at http://www.scsa.wa.edu.au/internet/Events_and_Forms/Application_Order_Forms. A candidate with an injury or illness existing at the start of Term 3 is not entitled to apply for sickness/misadventure consideration on the basis of the existing injury or illness.

4. Breach of examination rules

Alleged breach of examination rules are referred to the Breach of Examination Rules committee. Further information related to breach of examination (malpractice) can be found at http://www.scsa.wa.edu.au/internet/Publications/year12_information_handbook. A breach of one of these rules can result in cancellation of a part or all of the practical raw examination mark.

5. Examination procedure

On the day of the practical (performance) examination, candidates must bring their *Personalised practical examination timetable*.

Candidates must ensure that nothing they carry or wear can identify either them, their school, sporting club or achievements. If this does occur, candidates may be referred to the Breach of Examination Rules committee. Candidates are required to wear clothing and to use equipment that is approved for competition by the sport's governing body.

All personal playing and safety equipment (e.g. sticks, racquets, bats, gloves, shin pads, mouth guards, footwear, water bottles etc.) must be supplied by the candidate. Non-personal items such as balls and shuttles will be provided. Candidates who do not have the required equipment e.g. a mouthguard for hockey or shin pads for soccer cannot be examined.

Candidates will be examined in groups. The group size will vary according to the sport. Candidates will be allocated to groups on the basis of gender and skill level. Schools will be sent the *Sport elective data entry sheet* by **Friday, 3 June 2016**. Teachers must indicate on the *Sport elective data entry sheet* the skill level of each candidate in his/her nominated sport according to criteria provided by the Authority. A sample of this sheet is provided at Appendix 2. This sheet should be returned to the Authority by **Wednesday, 15 June 2016**.

To check the correct sport and skill level selected has been received by the Authority, report CSE204 will be available for download via SIRS for schools and by candidates via the Authority's student portal from **Monday, 18 July 2016**. A sample is provided as *Confirmation of sport and skill level selected* (Appendix 3).

On the day of the examination candidates are required to report to a supervisor at the examination venue to register for the examination 40 minutes before their scheduled examination time. Once their attendance has been recorded, candidates will be given a coloured, numbered bib to wear for the examination, and 30 minutes prior to the scheduled starting time of the examination are directed to a supervised area to complete a warm up.

Candidates will be escorted to the examination area just before the scheduled examination time.

A candidate who has not reported to a supervisor once their scheduled examination time has commenced will not be admitted to the practical (performance) examination and the examination cannot be rescheduled.

There may be more than one group of candidates being examined simultaneously, in different areas of the venue. The examination will be conducted by two trained markers who will mark the performance as it occurs.

Spectators are not permitted.

Each examination requires candidates to perform for a maximum of 30 minutes. However, due to instruction by the markers, set up of examination areas, movement between drills and rest periods, the total time that each candidate is required to be present varies between 60 and 120 minutes. The examinations will be conducted unless the weather makes conditions unsafe.

The candidate is to leave the examination area once they have completed their examination, and must not have contact with candidates waiting to be examined, or teachers, or other parties who are seeking feedback from the examination until all the examinations have concluded. Failure to do so may result in a breach of examination rules.

6. Criteria for marking

The chief marker sets the standards based strictly on the criteria set down in the marking keys. Exemplar materials are selected by the chief marker and used to exemplify the standards.

A numerical scale is used to assess the candidate's performance in terms of:

- proficiency in five individual skills
- application of individual skills, demonstration of decision-making and tactics in a game/competitive performance.

7. Venues

Venues will be located in and around the Perth metropolitan area and in some major regional centres where numbers make the examination viable. There will usually be one venue per sport. However, where there are larger numbers of candidates, sports may require two venues operating on the same day.

8. Country candidates travelling to Perth for examinations

Candidates from schools less than 100 km from Perth are required to travel to the venue at their own expense.

Candidates from schools more than 100 km from Perth:

- are not reimbursed for accommodation and/or meal costs
- must be accompanied by a chaperone if required to stay overnight
- will be reimbursed for petrol up to \$115 (on production of receipts) where a candidate is close enough to drive (i.e. in the area south of Geraldton, west of Kalgoorlie and north of Albany)

Note: all claims for petrol reimbursement must be sent to the Authority by **Friday, 25 November 2016**

- will have an airfare arranged and paid for by the Authority when required to fly to Perth
Note: parents/schools who pay for airfares will not be reimbursed. When travelling by air the candidate will be met by an Authority employee and will have transport to/from the venue organised by the Authority.

9. Practical examination support materials

To support students in preparing for the examinations, schools can purchase a set of DVDs and examination booklets, which demonstrate the essential skills in all sports. DVDs can be ordered by contacting the Authority on 9273 6300 or downloading the form at http://www.scsa.wa.edu.au/internet/Events_and_Forms/Application_Order_Forms.

Updated support booklets for all sports can be found on the Authority website at http://www.scsa.wa.edu.au/internet/Senior_Secondary/Courses/WACE_Courses/Physical_Education_Studies.
