#### Instructions to candidates

An artist statement is a concise explanation of the resolved artwork.

In the statement you should consider including the following:

- a reflection on your thinking and working practices
- the key decisions you made, acknowledging contextual and other influences on your artwork
- a reflection on the purpose, intent and meaning of your artwork, and how this relates to your personal point of view
- if the work is framed, include how the frame is integral to the reading of the work and how it contributes to the meaning and communication of ideas.

The artist statement of 300 words or less must be word processed, using 11 point Arial font.
